

# Early Years Educator apprenticeship.

for a  
better  
tomorrow

Early Years Educators plan and deliver engaging learning experiences, support children's development, and ensure their safety and wellbeing. They work closely with families and professionals to meet individual needs and promote inclusive, high-quality early years education.

<b>Level 3</b>	<b>Subject area:</b> Early Years	<b>Duration:</b> Up to 18 months + 3 month assessment period	<b>Delivery mode:</b> In person & online learning
----------------	-------------------------------------	--	---

## What knowledge and skills will an apprentice learn?

Apprentices will learn through online workshops and one-to-one sessions with a Get Set UK Learning Development Mentor and specialist trainers, covering:

- A clear understanding of how children develop, learn, and thrive at every stage.
- How to plan and deliver meaningful play experiences that encourage creativity and exploration.
- How to implement strong safeguarding measures to create a safe, supportive environment for every child.
- Communication and people skills to connect confidently with children, families, and your team.
- How to support every child's unique needs, including those with special educational needs and disabilities.

## What experience will the employer need to provide?

The apprentice will need to have the opportunity to regularly carry out the following tasks:

- Enhancing their skills as a Key Worker within the setting.
- Complete key child observations and write planning documents within the setting.
- Shadow a dedicated mentor to provide support throughout the programme.
- Take time away from daily tasks to attend Off the job training, including monthly workshops and one-to-one support meetings.
- Regular progress meetings with their trainer and employer.

## What is involved in the end-point assessment (EPA)?

- Professional discussion underpinned by a portfolio of evidence
- Professional observation with question
